*Mississippi Supreme Court Case No. 2007-DR-01758-SCT
Itawamba County Case No. 03-090(G)1*

THOMAS EDWIN LODEN, Petitioner

v.

STATE OF MISSISSIPPI, Respondent

AFFIDAVIT OF C. GERALD O'BRIEN, Ph.D.

State of Mississippi
Hinds County

I, C. Gerald O'Brien, Ph. D., do declare as follows:

1. I maintain a private practice in psychology in Jackson, Mississippi. In 2001, I maintained a private practice in psychology in Jackson, Mississippi. I treat patients with mental health issues and also perform forensic evaluations.
2. In early July 2001, I was contacted by an assistant for Mr. Daniels, who informed me that Mr. Daniels represented Thomas E. Loden Jr. and asked me if I could conduct an evaluation of Mr. Loden in relation to him being charged with capital murder and sexual battery. I was not asked to evaluate whether Mr. Loden was competent to plead guilty, or to discuss whether his depression and suicidal ideation were motivating his desire to plead guilty. I was not asked to evaluate whether Mr. Loden was competent to direct his attorneys to pursue a legal strategy that would

secure a death penalty. I informed Mr. Daniels' assistant that I would not be able to evaluate Mr. Loden until late July 2001. Neither Mr. Daniels nor his assistant informed me what defense theory counsel intended to pursue.

3. Mr. Daniels and I did not speak prior to the evaluation. Mr. Daniels and I had a brief conversation in August 2001, during which he asked me to prepare my report by mid-September 2001.
4. I have never spoken to or met with James Johnstone, Mr. Loden's second attorney, in relation to Mr. Loden's case.
5. Mr. Daniels provided me with the following documents prior to Mr. Loden's evaluation:
 - a. Police reports, interviews, autopsy report and videotape, supplied by the District Attorney's Office;
 - b. Mississippi State Hospital Report by R. McMichael M.D., Philip Merideth, M.D., Shirley M. Beall, Ph.D. (Psychiatric Evaluation, 6-22-01);
 - c. The MSH psychological test results in summary form;
 - d. A copy of the Court's Order approving Mr. Loden's evaluation by an independent psychologist; and
 - e. A copy of the Indictment against Mr. Loden.
6. Neither Mr. Daniels nor his assistant provided me with any other information about Mr. Loden or Mr. Loden's case. In particular, I have requested that Mr. Daniels obtain the raw data from the psychological tests

performed at Mississippi State Hospital Forensic Unit on June 21, 2001. I received the test results in summary form only. It is my standard procedure to review the raw data from those tests whenever possible. Mr. Daniels did not provide me with this data.

7. On August 13, 2001, I examined Mr. Loden in a two hour face-to-face interview at my office in Jackson, Mississippi. Neither Mr. Daniels nor Mr. James Johnstone, Mr. Loden's other counsel, was present. I performed ability/neuropsychological and psychological/personality tests. Based on my observations at the time and the limited history that was given to me, I concluded that Mr. Loden was competent to stand trial and assist in his own defense. I also concluded that at the time of the crime, Mr. Loden was under the influence of extreme mental and emotional disturbance and distress, although this probably did not rise to the level that he did not know the nature and quality of his acts or the difference between right and wrong in relation to those acts at that time. However, his capacity to appreciate the criminality of his conduct and conform his conduct to the requirements of the law was substantially impaired.
8. At the time, I had no history of Mr. Loden's memory problems. This information would have been helpful in evaluating the significance of Mr. Loden's amnesia at the time of the crime.
9. While Mr. Loden reported his history of suicide attempts to me, I had no history of suicidal behavior in Mr. Loden's family; in particular, I was not

aware that Mr. Loden's half-sister, Sònia Brown, also attempted to commit suicide.

10. I had not received any military records, interviews of Mr. Loden's military colleagues, or even basic information about Mr. Loden's combat experience. This information would have been helpful in evaluating Mr. Loden for Post Traumatic Stress Disorder. I planned to request this information, as well as additional information regarding Mr. Loden's social history, from Mr. Daniels; however, Mr. Daniels never called me back after our conversation in August 2008. Requesting that attorneys provide me with additional information regarding their client's family background and social history is my standard practice and I would have requested these additional documents had Mr. Daniels called me back.
11. Mr. Loden reported to me that he had a long history of substance use and abuse. However, he attempted to minimize the effects of the substances on him. Because I was not aware of Mr. Loden's military history and information of friends and family regarding Mr. Loden's Post Traumatic Stress Disorder symptoms, I could not put Mr. Loden's substance abuse in proper context.
12. I have received a copy of the report regarding Mr. Loden's evaluation by the psychiatrists at the Mississippi State Hospital. I was not asked to provide a rebuttal opinion to this report.
13. On September 17, 2001, after completing my evaluation of Mr. Loden, I faxed my report to Mr. Daniels. Mr. Daniels did not acknowledge that he

received the report or contact me to discuss the report in any manner. Mr. Daniels never informed me that he needs the report completed sooner than September 17.

14. Mr. Daniels never contacted me after I faxed my report. If Mr. Daniels had additional concerns about Mr. Loden's mental condition, I would have been happy to address them.
15. I learned that Mr. Loden's trial was continued to October 2001 from a newspaper article. Along with my report, I sent a letter to Mr. Daniels inquiring whether he would like me to testify during the upcoming trial and informing him of my availability. Mr. Daniels never responded to my letter.
16. I learned that Mr. Loden pled guilty shortly after Mr. Loden's plea. At that time, I attempted to contact Mr. Daniels in relation to this case and was informed that Mr. Daniels was no longer a private attorney, but had started working for the District Attorney's Office.
17. I have reviewed the affidavit of Dr. High who evaluated Mr. Loden during his post-conviction proceedings. A significant portion of factual information contained in Dr. High's affidavit was unknown to me when I examined Mr. Loden. If I had all the data and information that Dr. High had relied upon, I would have come to the same conclusions and diagnoses that Dr. High did. That additional data and information would have also provided more support for the conclusions I reached in my report.

18. In the forensic work that I have done, I depend on counsel and other members of the defense team to conduct a thorough life history investigation. Because conducting such an investigation competently is such a time-intensive exercise, it would be very costly for a forensic psychologist to do the document collection, traveling and witness interviews necessary to prepare a thorough psycho-social history. I was not given such a report in this case.

Itawamba County Cause No. 03-090(G)1*

THOMAS EDWIN LODEN, Petitioner

v.

STATE OF MISSISSIPPI, Respondent

AFFIDAVIT OF JAMES P. JOHNSTONE

I, James P. Johnstone, do declare as follows:

1. I am attorney licensed to practice before this Court. My office is located in Pontotoc, Mississippi. I have personal knowledge of the following facts and if called as a witness I would and could competently testify to them.
2. On or about July 5, 2000, Circuit Judge Thomas Gardner contacted me and informed me that he intended to appoint me to represent Thomas E. Loden. I agreed to represent Mr. Loden.
3. Attached as Exhibit A hereto is a true and correct copy of the Itemized Statement for Compensation and Expenses that I submitted to the Circuit Court of Itawamba County in connection with the work that I performed representing Mr. Loden. I believe that that Statement for Compensation accurately reflects the time I spent on the case.
4. I first met with Loden on July 6, 2000 for about one to one and a half hours in jail in New Albany where Loden was held. I have reviewed my notes of that meeting, and they indicate that, during that initial meeting Loden told me that he was 36 years old; he was born in Tupelo; he had been married to Katrina ("Kat") for 5 years; he and Kat Loden had a 2 1/2 year

old daughter named Abby; Loden attended high school in the area; he had been a Marine since 1982 and had performed well with many promotions over the years; he had been married twice before, but those marriages ended because both wives had been unfaithful; he was often on deployment with the Marines; he fought in "Operation Desert Storm" from August 1990 to April 1991 where he was "first in and last out;" he saw a friend of his burned to death and couldn't do anything about it; after Desert Storm, he was frequently moved from one unit to another where problems existed because he was known as a problem solver; he was transferred in about 1995 to Virginia to serve as an instructor in the Marine Corps FAST ("Fleet Anti Terrorism Security Team") which Loden described as a prestigious and high pressure assignment; and more recently, he had been assigned to recruiting in Vicksburg, Mississippi, which also imposed pressures on Loden to make his recruiting goals every month. Loden told me that his parents were divorced when he was two; his mother thereafter abandoned him; his stepmother abused him as a boy; he had been sexually abused at church at a young age; he had been exposed to pornography at a young age; he was shuffled back and forth between his mother and father while growing up; his sister had attempted suicide as an adolescent; Loden himself had attempted suicide several times; and his father died when he was 16. Regarding the night of Ms. Gray's death, Loden told me that he had spoken to his wife that evening via cell phone, and that he had been drinking.

5. My time records indicate that I met with Loden again the next day in New Albany but that might be an error since my handwritten notes indicate that I spoke only with law enforcement that day.

6. On August 22, 2000, I met with some of Loden's family members who traveled to Pontotoc to meet with me, but they discussed only Loden's treatment in jail, and their request

that I assist in obtaining psychiatric help for Loden because they felt that he was still suicidal. I did not interview them about Loden at that time.

7. The next time that I saw Loden was at his arraignment in November 2000.

8. In January 2001, I asked David Daniels if we would associate in as my co-counsel on the case. On January 31, 2001, Daniels and I met with Loden for about 2.5 hours in jail although I do not recall what we discussed and I did not make any notes that refresh my recollection.

9. We filed a number of different motions on March 2, 2001, including a motion for funds to hire Gary Mooers as a mitigation specialist. Judge Gardner denied that motion on April 25, 2001. After that ruling I did not personally interview any mitigation witnesses, and I did not personally conduct a "mitigation" investigation.

10. I next saw Loden in Court for the hearings on several suppression motions on June 26 and 27, 2001. Mr. Daniels questioned Loden at the suppression hearing. I do not recall my discussing with Loden what questions if any he would be asked. Following the suppression hearing, Mr. Loden asked me to file a second suppression motion.

11. David Daniels and I met with Loden on September 18 and 19, 2001. We told Loden that Judge Gardner had told us that Loden needed to decide within the next day or two whether to plead guilty. At that time, we did not have a mitigation case to present because there had not been any mitigation investigation. We did not discuss with Loden the report of Dr. O'Brien or whether he would testify on behalf of Loden at trial.

12. Loden wanted to know whether, if he pleaded guilty, he could appeal, and in particular whether he could appeal from the Circuit Court's adverse pre-trial rulings including the rulings on the suppression motions. I told Loden that if he pleaded guilty and was sentenced

to death, the Mississippi Supreme Court would review his sentence, and that they would review everything that was in the record. I told Loden that I believed that (1) the rulings on the suppression motions, (2) the order denying the request for funds to hire a mitigation specialist, and (3) the use of Loden's wife Kat to induce Loden to talk with the police on June 30, 2000 were issues that might be reviewed that were potentially viable.

13. Attached hereto as Exhibit B is a copy of a newspaper article where I was accurately quoted as having said that Loden had decided earlier that week to plead guilty and that his death sentence "has an automatic review."

Youth leader gets kids to steal signs

The head of the city's Youth Commission, a 17-year-old boy named Carl, was arrested after he allegedly recruited children to steal the campaign signs put up by a rival in a school board election.

Hugo Rojas, 32, was arrested and indicted for investigation of grand theft and disorderly conduct. He was convicted he could have up to eight years in prison.

Poole said Rojas was arrested Monday at City Hall as he was leaving the Youth Commission's office. He claims he was the victim of a "political setup," said police Lt. Wayne Salmon.

The two youth were over the weekend taking campaign signs from a person's yard. They said two men drove them in a minivan to steal the signs of state Rep. Michael L. Gandy, a deputy city attorney running against Rojas, and Mayor Larry Guidi, who recently re-elected.

Rojas' attorney told one of the boys that if he didn't participate in the sign-stealing, he would turn him in for a previous grand larceny, Guidi said.

State shouldn't suffer heavy insurance toll from terrorist attacks

U.S. sends more warplanes to Persian Gulf

■ White House warns Taliban to heed Bush ultimatum on bin Laden.

By Tom K. Pace

WASHINGTON — The Pentagon committed more aircraft to the Persian Gulf and the gathering was no terrorist Friday as Michael D. Antonovich, the Osama bin Laden and others blamed for last week's death and awesome destruction.

"This is the time for negotiations or discussions," warned President Bush's spokesman.

One day after Bush delivered a nationally televised message of reassurance and resolve, came a freshly sobering warning about more terrorist attacks.

"Everyone knows that if you take a look at this group and Osama bin Laden there has to be a lot more," said Sen. Pat Roberts, R-Kan., emerging from an FBI briefing in a secure room of the Capitol.

The economy suffered further after about 6,000 Americans died at the World Trade Center twin towers and wounded the Pentagon. The stock market fell sharply, nearing the end of one of the gloomiest

days in Wall Street history.

The administration was buffeted by fresh layoffs — a total of more than 100,000 since the attacks — and Congress hardened to probe billions in cuts.

The administration debated internally whether to seek fresh economic stimulus legislation. Clinton, who had proposed such a meeting during the deepest recession seemed likely to emerge as fiscal Federal Reserve Board Chairman Alan Greenspan's

advice and wait a week or two before acting.

There were determined expressions of opinion at the earliest round-table forum of senators and staffers.

"We will rebuild New York, it's our nature, it's our spirit," said Attorney General John Ashcroft, touring the still-smoking ruins of the World Trade Center.

Economists: Recession now appears certain

By Martin Arndt

(The Associated Press)

WASHINGTON — Massive airline profits, big hotels and restaurants, Wall Street's biggest weekly price decline ever. The economy is strong, but the terrorist attack has severely damaged consumer confidence this year, many economists said Friday.

The only question remaining: How long and how deep?

"I think we'll have a mild recession that will end sometime in the first three months of next year, but we really don't know yet. Things are very uncertain and everybody is nervous," said David Wiles, chief economist at Standard & Poor's in New York.

Two closely watched forecasting groups — the Conference Board and the National Association for Business Economics — surveyed economists in late September. Both found that an overwhelming majority of economists believe a recession is unavoidable.

In both surveys, the new pessimists were

perched to a belief that consumers — who account for two-thirds of economic activity — would cut back sharply on their spending in the wake of the terrorist attack, sending jobless announcements.

Some analysts said the National Bureau of Economic Research, which tracks recessions in the United States, will end up updating the start of the slowdown in May or June, based on when various economic statistics start to turn down.

The NABE survey, released Friday, found that 38 of 21 forecasters believe the country will enter a recession.

But the NABE's Economic Indicators report noted that the number of economists surveyed before a recession has begun had jumped to 42 percent, up from 13 percent in early September.

GUILTY: Investigators lead Thomas E. "Eddie" Loden from the Lee County Justice Center today. Loden pleaded guilty to the brutal murder of Leesa Gray, 16, of the Dorsey community, and was sentenced to death by Circuit Court Judge Thomas Gardner.

Loden pleads; gets death

■ Former Marine recruiter killed teen girl in Itawamba County.

By Sami Pollard

A former United States Marine Corps recruiter pleaded guilty Friday to capital murder and five other felony crimes, and was sentenced to death.

Thomas E. " Eddie" Loden, 36, pleaded guilty to killing Leesa Gray and several of 16-year-old Leesa Gray of the Dorsey community in Itawamba County. Gray disappeared June 22, 2000, while on her way home from work as a waitress at a local restaurant.

After a search, she was found dead of strangulation the next day in Loden's van.

"To the parents, family and friends of Leesa Gray, there are words I could say that would never express my deepest sympathy, but I can't say those words. I'm sorry for your loss as a mother, as a father, as a son, as a daughter," he said.

"I truly am sorry. I wish there was more I could say or do ... I wish that God would comfort you, and I beg that he may forgive me."

Regardless of Loden's apology, Itawamba District Attorney Johnny Young said Loden's crime "can never be undone."

"It does not lessen the crime," Young said. "He spared the family a few weeks, but by causing so much pain and pleading guilty, I submit that he deserves the sentence he got."

"There is all overwhelming amount of evidence towards his guilt," Young said.

Loden pleaded guilty to six felony counts against him: Capital murder, with the underlying felony offense of kidnapping, one count of rape and four counts of sexual battery. As each charge was read to him by Circuit Court Judge Thomas Gardner, Loden responded,

"Yes, Your Honor," or "Yes, Your Honor," and "Yes, I'm guilty," in a low, steady voice.

With shaking hands, Young read aloud the details of the case.

Team and their manager and coaches all agreed to donate their wages for the day to the relief effort, \$40,000 in all. And a long roster of stars volunteered for a morale-building afternoon broadcast entertainment program.

For the first time since the attacks, Bush did not speak in public, working instead in private meetings with his staff and his coaches to review the progress of the recovery and the operations of the aerospace industry and others.

Dozens of flag-waving White House aides went the presidential office to Camp David as he boarded his helicopter at mid-afternoon. First Lady Laura Bush and her husband had a peek on the check before they headed Marine One.

Halfway around the world, Pakistan, next door to Afghanistan, stood as a prime target for terrorism, and was being bombarded by the media behind Bush's efforts to rally all nations to the antiterrorism cause.

The president was burned in effigy during the day as thousands of Americans protested that government leaders to cooperate with America.

At the same time, several sources, speaking on condition of anonymity, said the administration had decided to impose more stringent measures to ease Pakistani sanctions that had been in place for several years in an attempt to curb weapons programs.

We have to give something to them so I think the Americans have outlived their usefulness," said Rep. Henry Hyde, R-Ill., chairman of the House International Relations Committee.

Afghanistan's ambassador to Pakistan responded to Bush's demand that he hand over bin Laden to be turned over.

"We are ready for the trial of Osama bin Laden in light of the evidence," said Abdul Sabah Zazai. Asked if the leading Taliban were to be tried, he said, "No."

And yet, Bush's warning that the Taliban would share the fate of bin Laden if they didn't meet U.S. demands sparked expressions of anger not only in Pakistan.

Cleric Ayman Abdal-Fatah condemned "the most heinous" as "wars with a new cover" in prayers carried on Iraqi state TV.

"By God's will, the Americans will not have an upper hand on us," the Iraqi cleric said. "We call upon God to help us, and we pray you, the Americans."

world and can plunge the whole region into a crisis."

Fleischer, responding a few hours later from the White House podium, referred reporters to a statement he had issued the previous night. To cease their efforts to support and harbor terrorists and to turn terrorists over to the United States or other authorities, and to allow the United States access to the terrorist.

Asked to detail evidence of bin Laden's, and the al-Qaeda network's alleged involvement, he retorted, "They would like nothing better than to be able to hide where they are hiding and have the United States reveal what we know and how we know it," he said.

The Pentagon released little by way of detail about the deployment of forces around the globe. One senior official, speaking on condition of anonymity, said more Air Force planes had been ordered to support a buildup of firepower in the Persian Gulf region.

The dozen or so additions will join more than 300 warplanes already deployed in the effort to combat terrorism.

"You'll see a lot of activity," said Pentagon spokeswoman Victoria Clarke in an interview. "We're preparing for what could very well be a wide range of options. So you will see a lot of people moving; you'll see a lot of equipment moving."

Bush's prime time speech drew strong support among Americans according to surveys conducted in the aftermath of the address, and from most overseas leaders who have pledged America's backing.

And yet, Bush's warning that the Taliban would share the fate of bin Laden if they didn't meet U.S. demands sparked expressions of anger not only in Pakistan.

Cleric Ayman Abdal-Fatah condemned "the most heinous" as "wars with a new cover" in prayers carried on Iraqi state TV.

"By God's will, the Americans will not have an upper hand on us," the Iraqi cleric said. "We call upon God to help us, and we pray you, the Americans."

drop in history.

Analysts said the plunge in stocks will further depress consumer spending as Americans watch their portfolios shrink.

Mark Zandi, chief economist at Moody's Investors Service Group, a private consulting firm, said he doesn't believe the economy will turn around until six months after the stock market finally starts to

rebound. "We have got to see corporate profits start to come back before we will get consumers returning back to work and increasing their consumption," he said.

Analysts said he was looking for a relatively mild recession with an unemployment rate topping out at 6 percent. The nation's last downturn in 1990-91 saw the unemployment rate climb to 7.8 percent. Unemployment rose to 4.9 percent in August.

In just the past 11 days, the airline industry has announced more

job cutbacks than in the last eight months right now. They are not traveling. They are not going to shop, to buy," he said.

The Conference Board released a news survey Friday that showed that 47 percent of consumers

believe the country will sink into recession.

But all economists cautioned their forecasts will be highly dependent on such unknowable factors as how the U.S. military campaign against the terrorists proceeds.

In the pessimistic alternative, the economic damage from the attacks mounts and... anxiety rises as the war on terrorism drags on with increasing casualties," said Mark Zandi, chief economist at Moody's Investors Service Group.

Analysts said the economy would have to fall 10 percent to begin to materialize," said Lynn Franco.

Mark Zandi, chief economist at Moody's Investors Service Group, estimated the loss

of three million jobs in September alone from the number of jobs held at \$25 billion, led by \$4.8 billion in losses at airlines and \$4 billion at hotels.

The Blue Chip survey said that three-fourths of its economists believe the downturn will be either milder or about the same as the 1990-91 downturn.

The Blue Chip consensus called for the GDP which managed a tiny 0.2 percent gain in the April-June

quarter to shrink by 0.3 percent in the July-September quarter and decline by 0.7 percent in the final three months of this year before returning to positive territory early next year.

Many analysts believe growth and year will be helped by billions of dollars in extra government spending for reconstruction and to boost security but those increases may not be enough to prevent a downturn.

Loden

Continued from Page 1A

from the night of Gray's disappearance to Loden's arrest and his confession.

Among the evidence presented against Loden, Young said, was video footage of them and his wife coming home from a movie in the early morning hours of Aug. 10, 1998, when Gray was not visible on the tape, had made the recordings, since his feet, arms and legs were visible and his voice was clearly heard.

Young said the defendants were filmed on previously recorded home footage of a family reunion.

In his statement made to law enforcement officials in the days after his arrest, Loden said he had lied to the FBI and he "should have had to be made by me" and "I know that I did," said Gray.

Gray's lawyer had to be excused from the courtroom as details of his kidnap and assault were disclosed.

The videotape was not viewed

during the hearing, but previously

had been viewed by Gardner

and attorneys for the prosecution

and defense.

Defense Attorney Jim

Johnstone said he presented his wish to plead guilty earlier in the week.

"That was his choice," Johnstone said.

During Friday's sentencing hearing, Loden was represented by attorneys who filed no objection to evidence presented by the prosecution and not to cross examine any witnesses. By pleading guilty to the charge, Johnstone said, Loden had given his right to appeal, but that any death sentence has an automatic review.

"We feel justice has been done," said the Rev. Terry Lee Collier, pastor of First Baptist Church in Dutchtown. "The family expressed gratitude for all who prayed for them... Our hearts go out to the Loden family."

Collier spoke on behalf of God's family, which declined comment on the case.

"Law enforcement did an excellent job in this," Young said. "This was as much evidence I've ever seen gathered in a case."

He said he hoped justice would be done, but he said, "Gray's case may not have been resolved."

Loden said he was sorry for Gray's death, Young said, adding, "I still believe he's sorry he got caught."

ANSWER TO BILL FOR DIVORCE AND CUSTODY OF CHILDREN

Comes now Bobbye Annette Loden and for answer to the Complaint filed against her in this cause would most respectfully show unto the Court the following:

- 1 -

That Defendant admits the allegations as set forth in Paragraph 1 of the Complaint.

- 2 -

That Defendant admits the allegations as set forth in Paragraph 2 of the Complaint.

- 3 -

Defendant denies the allegations as set forth in Paragraph 3 of the Complaint and would deny that the said Complainant is entitled to a divorce from the Defendant; Defendant would show affirmatively that the said Complainant has fussed and nagged at Defendant and on several occasions he has struck her without just cause or reason. That none of the allegations as

set forth in Paragraph 3 are true and correct and Defendant can show that she has made every effort to make this marriage a success.

- 4 -

That Defendant would deny the allegations as set forth in Paragraph 4 of the Complaint and would show affirmatively that the said Complainant is not a fit and suitable person to have the temporary or permanent custody and control of the two minor children. That Defendant denies that she has ever neglected the children in any manner or form but would show that she has been required to work continuously during the marriage in order to support herself and the two minor children.

- 5 -

That Defendant denies the allegations as set forth in Paragraph 5 of the Complaint. That Defendant would show affirmatively that she has helped to pay for the household furnishings and that she would be entitled to the furnishings in order to furnish a home for the said minor children.

Now having answered the Complaint filed against her in this cause, the said Defendant respectfully requests that the original bill be dismissed and the cost taxed to the said Complainant; that Defendant files this her Cross-bill and would respectfully show the following:

CROSS-BILL

Now comes Cross-complainant, Bobbye Annette Loden, who would most respectfully show unto the Court that she and the Cross-defendant are adult resident citizens of Itawamba County, Mississippi; that both have resided in Itawamba County for more than one year preceding the filing of this Cross-bill.

- 1 -

Cross-complainant would show that she and the Cross-

defendant were married on or about June 29, 1961; that there were two children born to this marriage, namely: Anita Gayle Loden, age 4; and Thomas Edwin Loden, Jr., age 2. That both parties to this suit are members of the white race.

- 2 -

Cross-complainant would further show that Cross-defendant adopted a course of conduct toward her wherein he would fuss and nag at Cross-complainant; that he has threatened to do her bodily harm and has actually struck her on several occasions. That Cross-defendant has been keeping company with another woman, whose name can be furnished on request, prior to and after the separation; that he has on several occasions spent the night with another woman, of which proper proof will be presented at the trial. That the conduct of the said Cross-defendant has caused Cross-complainant great mental anguish, frustration, and uncertainty.

Therefore, Cross-complainant charges the Cross-defendant with habitual cruel and inhuman treatment and adultery.

- 3 -

Cross-complainant would further show that the Cross-defendant is an able-bodied man who is gainfully employed by Orkin Exterminating Company, Inc., and has a salary of approximately \$325.00 per month plus commission. That Cross-complainant respectfully requests that Cross-defendant be required to pay a reasonable sum as temporary and permanent support and maintenance for the two minor children and that he be further required to pay a reasonable sum to Cross-complainant's attorney of record for representing her in this cause and that he also be required to pay suit money, both temporary and permanent.

- 4 -

That Cross-complainant respectfully requests that she be granted the temporary and permanent custody and control of the said minor children as she is a fit and suitable person to

rear the said children and that the said Cross-defendant is not a fit and suitable person to have the custody either temporary or permanent but Cross-complainant would agree to the said Cross-defendant having the right of reasonable visitation. Cross-complainant would further show that it is necessary for her to have the household furnishings and fixtures in order for her to furnish a home for the use and benefit of the said minors and herself and respectfully requests that this Court award to her the said household furnishings and fixtures now in her possession and which are now being used for the use and benefit of the said minors. That she be awarded the Corvair automobile for transportation to and from her work.

WHEREFORE, PREMISES CONSIDERED, Cross-complainant prays that process of summons do issue to the Sheriff of Itawamba County, Mississippi, returnable to the April 1967 term of this Honorable Court and that the Court set by fiat the time, place and date for the temporary features of the Cross-bill to be heard and that process issue for the said Cross-defendant returnable to the time, date, and place of the temporary hearing in this cause; that upon the final hearing of this cause that the said Cross-complainant will be granted an absolute divorce from the said Cross-defendant severing the bonds of matrimony now and heretofore existing between the parties hereto; that the said Cross-complainant will be awarded the household furnishings and fixtures, reasonable attorney's fee for representation in this cause, support and maintenance for the said minors, suit money and court costs, all temporary and permanent; and for such other further and more general relief as to the Court may seem mete and proper and as in duty bound Cross-complainant will ever pray.

ANSWER TO AMENDED BILL FOR DIVORCE

Comes now Defendant, Bobbye Annette Loden, by her attorney, and for answer to the Amended Bill for Divorce filed against her in this cause would most respectfully show unto the Court the following, to-wit:

- 1 -

Defendant admits that Complainant is an adult resident citizen of Itawamba County, Mississippi, but denies that she is an adult resident citizen of Itawamba County but would show that she is a resident citizen of Lee County, Mississippi.

- 2 -

Defendant admits there were two children born to this marriage, namely: Anita Gayle Loden, age 4; and Thomas Edwin Loden, age 2 years.

- 3 -

Defendant denies the allegations as set forth in

Paragraph 3 of the Amended Bill for Divorce that Complainant is entitled to a divorce on the grounds of cruel and inhuman treatment or any other grounds.

- 4 -

Defendant denies the allegations as set forth in Paragraph 4 of the amended bill and would show that the said Complainant is guilty of openly and notoriously keeping company with other women during the last two or three years and that at the present time, he has been regularly and constantly keeping company with a certain woman whose name will be furnished at the trial. That it is only safe to assume from his conduct that he is guilty of adultery.

- 5 -

Defendant would deny the allegations as set forth in Paragraph 5 of the amended bill but would show that the said Complainant has never at any time shown any interest in the two minor children involved in this proceeding; that he has never shown the love and affection required of a father who is interested in maintaining the proper home for his children and loved ones. That he stayed gone every night and never made any effort at all to show an interest in the said minor children and that he is not a fit and suitable person to have the custody and control and that should this be granted to him, then this obligation and responsibility would be left to his father and mother who are of an advanced age and should not be required at this time to take on the responsibility of rearing two children of this tender age.

- 6 -

Defendant denies the allegations as set forth in Paragraph 6 of the amended bill and would show that all furniture, fixtures, and household appliances have been acquired through the joint efforts of Complainant and Defendant, and that it is

necessary that she be awarded these items in order that they can be used to make a livable place of abode for the two minor children. That the said Defendant is entitled to the automobile as set forth in the Answer to the Original Bill.

Now having answered the Amended Bill for Divorce, Defendant respectfully requests that same be dismissed and held for naught and that she be allowed to proceed on her Cross-bill in this cause and that she will be granted the temporary and permanent custody and control of the minor children, attorney's fee, household furniture and appliances, together with the automobile, suit money, and court costs, all temporary and permanent.

TEMPORARY ORDER

This day this cause came on to be heard on the temporary features, involving custody of the two minor children and upon having heard said cause and the proof therein, this Court finds that the custody of the two minor children, Annetta Gayle Loden and Thomas Edwin Loden, Jr., should be granted to the Complainant and that the Complainant should make a home for said children in the home of Mr. and Mrs. Edwin (Dick) Loden.

The Court further finds that the Defendant should be granted visitation rights in and to said children, including the right to have said children in her home with her commencing at 5:00 o'clock P. M., on each Friday and continuing until 5:00 o'clock P. M., each Sunday. Visitation rights from 5:00 o'clock P. M., on Friday until 5:00 o'clock P. M., on Sunday are conditioned upon the Defendant having no men at her home while the children are in the home of the Defendant.

It further appears that the Complainant should be compelled to provide transportation for said children to and from

the Defendant's home at 5:00 o'clock P. M., on Friday and return for the said children at the home of the said Defendant at 5:00 o'clock P. M., on Sunday.

It is therefore ordered and adjudged that the Complainant be and he is hereby granted the care, custody, and control of the two minor children, to-wit: Annetta Gayle Loden, and Thomas Edwin Loden, Jr., and that the Complainant be and he is hereby ordered to make a home for said children in the home of Mr. and Mrs. Edwin (Dick) Loden. It is further ordered and adjudged and decreed that the Defendant be and she is hereby awarded visitation rights in and to said children commencing at 5:00 o'clock P. M., on Friday and continuing until 5:00 o'clock P. M., on Sunday, including the right to have said children visit in the home with her for said periods, conditioned upon the Defendant having no men in the home at the time said children are with the Defendant. The Complainant be and he is hereby ordered to provide the necessary transportation for said children to and from the home of the Defendant.

Ordered, adjudged, and decreed, on this the 17th day of April, 1967.

PETITION FOR ALTERATION OF TEMPORARY ORDER

Comes now your Complainant, Thomas Edwin Loden, and files this his petition, asking that this court alter the temporary order of this court as entered in this cause on the 17th day of April, 1967, and in support of said petition would most respectfully show unto the court the following, to wit:

I.

That your Complainant is an adult resident citizen of Itawamba County, State of Mississippi; that the Defendant is now residing within the bounds of Lee County, State of Mississippi; and heretofore while both parties were residing in Itawamba County, Mississippi, the Complainant filed a bill for divorce and was asking for custody of the children.

II.

That heretofore on the 27th day of April, 1967, this cause was heard on the temporary features and the order of this court was entered granting to the Complainant the care, custody, and control of the two minor children, Annetta Gayle Loden and Thomas Edwin Loden, Jr.; that a copy of said order on the temporary features is attached hereto and marked Exhibit A and is to be made a part hereof as if fully written herein in words and figures.

III.

That the Defendant was awarded visitation rights in and to said children commencing at 5 o'clock p.m. on Friday and continuing until 5 o'clock p.m. on Sunday, including the right to have said children visit in the home with her for said periods, conditioned upon the Defendant having no men in the home at the time said children are with the Defendant.

IV.

That your Complainant would show that he has faithfully lived up to the terms of said order and has provided the transportation to and from the Defendants residence and has faithfully delivered said children to the Defendant; that your Complainant would show that the Defendant is dating openly and has men in her apartment, and has left the children unattended in her own apartment while attending parties with men at neighbor's homes; that the Defendant has on frequent occasions dated men openly, and she and her boyfriends have taken the two minor children to the drive-in movie; that all of said dating and having men in the home while the children were with her is in violation of the conditions as ordered by this court.

V.

That during said periods of time when said children are in the hands of the Defendant the Defendant refuses to cook meals for said children, and does not properly fee said children, and does nor care for said children and does not try to keep the children out of the streets and away from dangerous fast moving traffic; that the Defendant talks hatefully to the children and that at the end of their stay over the weekend the children are hard for the Complainant and his parents to manage; that the children are in a constant state of nervousness by being transferred back and forth between the Complainant and the Defendant; that the children are not being fed suitable diet while they are in the hands of the Defendant; that the children have witnessed the Defendant and a man in bed in the Defendant's apartment.

VI.

That the Defendant goes out at night, stays at all hours at night, and frequently stays out til after 3:30 a.m. and the Defendant returns and does not even check with the babysitter as to the welfare of the two minor but sleeps other than in the same apartment with the minor children.

VII.

That the conditions of the order previously handed down by this court have been breached by the Defendant and the Defendant has

forfeited her right to have visitation rights to said children and have said children visit her; that the Defendant is not a fit, suitable person to have care, custody, and control of the children even on the weekend visitation periods as outlined by this court.

Wherefore, premises considered, the Complainant prays that this court will set a time and place for hearing in vacation, by fiat, and that upon a hearing in vacation that this court will alter its previous temporary order covering the custody of the two minor children, that this court will enter a new order, granting to the Complainant the full and complete care, custody, and control of the two minor children, Annetta Gayle Loden and Thomas Edwin Loden, Jr., and that this court will cut off any visitation rights or privilege that the Defendant has under the said order in and unto said children. Complainant prays for general relief.

PETITION FOR ALTERATION OF DECREE

Comes now your Complainant, Thomas Edwin Loden, and files this his Petition, asking that this court alter a previous decree of this court, and would most respectfully show unto this court the following facts, to wit:

I.

That your Complainant, Thomas Edwin Loden, is an adult resident citizen of Itawamba County, State of Mississippi, residing with his father and mother, Mr. and Mrs. E. O. Loden, in the Dorsey Community Itawamba County, State of Mississippi; that the Defendant, Bobbye Annette Christian Loden is presently residing in the City of Tupelo, Lee County, State of Mississippi, but was living within the County of Itawamba, State of Mississippi at the time of the filing of the original Bill for Divorce.

II.

That heretofore in this cause an order was entered on or about the 1st day of December, 1967 wherein the Complainant was granted a divorce from the Defendant and it was further ordered that the care, custody, and control of the two minor children of this marriage, being Annetta Gayle Loden and Thomas Edwin Loden, Jr., be given to Thomas Edwin Loden conditioned upon the said Thomas Edwin Loden keeping said children in the home of Mr. and Mrs. E. O. Loden.

III.

That the Complainant has complied with every detail of said order of the court; that he is still residing in the home of Mr. and Mrs. E. O. Loden, his mother and father, with the two children; that on December 30, 1967 your Complainant was married to Sylvia Suttle Loden and Sylvia Suttle Loden has resided with your Complainant and the two minor children in the home of the said Mr. and Mrs. E. O. Loden

That Sylvia Suttle Loden is employed at Southern Bell Telephone & Telegraph Company in the City of Tupelo, Mississippi; that the Complainant is now employed at Rockwell Manufacturing Company of Tupelo, Lee County, Mississippi; that Thomas Edwin Loden and Sylvia Suttle Loden have different hours of work, causing the parties to both make separate trips to and from Tupelo for the purpose of carrying on their employment; that with the two trips and with the distance of approximately 12 to 15 miles one way, travel expenses are a financial burden on the parties; that because of the complexity of married life, Thomas Edwin Loden and Sylvia Suttle Loden should be allowed to have their own home, separate and apart from Mr. and Mrs. E. O. Loden; that Sylvia Suttle Loden owns a good and suitable house at [REDACTED], Tupelo, Mississippi, which she has rented at the present time, but which she has requested the tenants to be prepared to move conditioned upon the Court allowing the Complainant to take the two minor children, Annetta Gayle Loden and Thomas Edwin Loden, Jr., from the home of Mr. and Mrs. E. O. Loden, and live with them at [REDACTED], Tupelo, Mississippi, but because of the condition limiting the care, custody and control to Thomas Edwin Loden upon keeping said children in the home of Mr. and Mrs. E. O. Loden, your Complainant has been unable to move.

IV

Your Complainant would represent and show unto this court that he is a good and suitable person to have the care, custody and control of the two minor children; that he and his present wife are in regular attendance at Sunday School and Church; that he and his present wife have been taking the children to Church and Sunday School on a regular basis; that with the help of his present wife, he is capable of caring for the two children; that the house owned by the Complainant's present wife at [REDACTED] is a good house, of good construction, with all the conveniences of a modern home, and is a good and suitable place to make a home for the Complainant, his wife, and the two minor children.

WHEREFORE, PREMISES CONSIDERED, Complainant prays that this court will by Fiat set a time and place for hearing this cause in vacation; Complainant further prays that this Court will issue process returnable to said date as set by this Court by Fiat and that upon a full and complete hearing therein that this court will enter its order altering, amending, and changing the previous Decree of this court so as to allow the Complainant to have the care, custody, and control of Annetta Gayle Loden and Thomas Edwin Loden, Jr., at places other than in the home of Mr. and Mrs. E. O. Loden, in order that the Complainant and his present wife can set up their own separate household.

Complainant prays for general relief.

OPINION OF THE COURT

It is gratifying to the Court to see that these parties have apparently settled down and do not have some of the problems they were having at the time of the temporary and permanent hearings last year. I am glad to see that they are cooperating to the extent that Mrs. Brown has been permitted to take the children to the fair and to see them at times other than those specified in the decree.

It has been stated here that the Complainant is in contempt of Court by moving the children from the home of his parents as provided in the decree to Tupelo. The Complainant is now married and has a suitable home in Tupelo and such move was necessary to put the children in school. The Complainant tried several times to get this matter before the Court long before School started, but was not able to do so. There is no showing of contempt by the Complainant. His actions were for the best interest of the children.

This case has a lengthy history before this Court. It began at the April term 1967 and a final decree was rendered at the December term 1967. The defendant, Mrs. Bobbye Loden has a long history of numerous and flagrant acts of adultery with various men. At the temporary hearing she denied these acts of adultery, but at the final hearing she admitted these acts, but defended her suit on the grounds that their had been a condonation of these acts. It was her bad misconduct that resulted in the children being awarded to the Complainant, and due to the fact that

he lived with his parents, that he was required to keep them their during the periods he had custody of them. The defendant had her times of visitation provided for in the decree.

The petition before the Court at this time is to allow the petitioner, who was the Complainant in the original suit, to move the children from the home of his parents to his new home in Tupelo, and he seeks to modify the decree of December 7, 1967 to that extent. The defendant by cross-bill seeks to regain custody from the Complainant.

The facts show that the Complainant has re-married since the divorce and has a suitable home for these children, and that his family life is good. The facts show that the defendant married June 28, 1968 and lives in Tupelo, and has offered to quit work if she could get the custody of the children.

The change of circumstances of the Complainant is sufficient to warrant the children to be moved from the home of his parents to his own home in Tupelo.

The decree of December 7, 1967 was entered granting custody of the children to the Complainant due to the many flagrant acts of adultery by the defendant with various men, and although she has now re-married and no new acts of mis-conduct has been shown, the Court is of the opinion that the best interest of the children will be served for them to remain with their father where they are being properly looked after.

The decree of December 7, 1967, will be modified to the extent that the children may be moved from the home of the Complainant's parents to the home of the Complainant in Tupelo, but which decree will otherwise remain in full force and effect.

Since both parties are before the Court on the petition of the Complainant to modify the decree and the Cross-bill of the defendant to modify the same decree, the Court costs of this proceeding will be divided

equally between them.

CITATION:

For professional achievement in the superior performance of his duties while serving as the Naval Gunfire Chief, 3d Battalion, 12th Marines from 5 August 1991 to 12 December 1991. During this period, Sergeant Loden consistently performed his duties in an exemplary and highly professional manner. Within three months of his return from combat operations in Southwest Asia he volunteered to serve as naval gunfire chief for an extended deployment. Demonstrating outstanding managerial skills, he planned and supervised the operations of the Regimental Naval Gunfire Section and two Shore Fire Control Parties throughout operations Valiant Mark, Penyu Trident, and Forest Light. Sergeant Loden concurrently organized the Naval Gunfire Section for deployment as part of the lead echelon and command element of the III MEF Alert Marine Air Ground Task Force. Recognizing a skill deficiency in attached communications personnel, he immediately implemented a program to cross train shore fire control party radio operators in observed fire procedures and land navigation techniques. His superb performance of duty was epitomized by the ability to fill both officer and enlisted fire support billets during both regimental and division field exercises on Okinawa and operational deployments. Sergeant Loden's exceptional professional ability, initiative and loyal dedication to duty throughout reflected great credit upon himself the United States Marine Corps and were in keeping with the highest traditions of the United States Naval Service.

minimal cost. Notable accomplishments are: 1) construction of 600 sq ft indoor classroom; 2) modified the shooting house shipboard side to a land-based environment; 3) complete rehab/redesign of linear range and constructed concrete range towers with a total estimated cost savings of \$100,000. Superb written and verbal skills, his importance to this command can not be overstated. As a leader this SNCO is a practitioner of General Lejeune's "father to son" and "teacher to scholar" relationship with his Marines. He is one of the most concerned, caring and involved leaders I have observed. Has completed Resident requirement for his grade and is presently enrolled in the Warfighting course. He has all the skills, traits and experience to make an OUTSTANDING First Sergeant of Marines.

- I have had only limited opportunity to observe this Marine, but from what I have observed I generally concur with the Reporting Senior's marks in items 15a and b.
- I have had sufficient opportunity to observe this Marine; and concur with the Reporting Senior's marks in items 15a and b.
- I have had sufficient opportunity to observe this Marine, and do not concur with the Reporting Senior's marks in items 15a and b. I would evaluate this Marine as _____ (Item 15a) and rank this Marine as _____ of _____ (only rank those evaluated as Outstanding (OS)).

REMARKS (mandatory if item 4, above, is checked):

EXCEPTIONAL SNCO who has made noteworthy contributions to Training Company during this period. I concur with the RS Section C comments and attest to their accuracy - THEY ARE NOT INFLATED! In addition to supervising the self-help projects, he got his hands dirty and did much of the skilled grunt work himself. His efforts/polished results have garnered much positive feedback and will form the heart of a major Navy Self-Help Award for the base.

Continues to be one of the hardest working Marines in this company. Equally dedicated to personal, professional development of his Marines - strong advocate, leader in ensuring their welfare is looked after.

One of the finest SNCO's I have ever worked with - easily within the top 10% in our Corps. Within the company, I rank him as 2 of 6 competitive Gunnery Sergeants! Difference between him and #1 is negligible. Highly recommended for selection as First Sergeant. This report late due to RO oversight.

A superb young NCO with superior skills. My most accomplished sergeant. His overall competence is extraordinary: he is a dynamic individual with no apparent weaknesses in his MOS. He has proven to be an adept communicator as well, resulting in him being qualified to stand watch as the FSC in the 3d Marine Regt. COC. As my operations NCO, he has been responsible for training, scheduling, ammo expenditures, logistical requirements, and the paperwork associated with each. His level of maturity, moral courage, sense of justice and humor, and concern for his marines are as those expected of a SMC, which is what this young marine should be at the earliest possible moment. He is that good.

<p>Sgt Lodden is a solid performer. As the reporting senior noted, when Sgt Lodden is in charge, nothing falls through the crack. Has taken the initiative to start and/or complete major projects. The S-3 actual of the supported infantry regiment frequently calls my liaison officer's office. If my liaison officer is not in, regimental S-3 usually asks Sgt Lodden his question. They have developed a very good working relationship because Sgt Lodden gets the correct information for the regimental S-3 and explains it so the S-3 understands it. Clearly a Marine of many gifts including a good mind and gift for expressing himself. If I go to war, I want him with me.</p>

SGT OLLEN's sustained superior performance has been an inspiration to each member of the NSP liaison section. Whether in his operational billet or in his additional duties as the operations NCO, he works zealously with drive and dedication. Possesses a sound management background combined with a keen analytical style and adaptability to changing situations makes him highly effective in any situation. SGT OLLEN enjoys my complete trust and confidence in any assignment regardless of difficulty or complexity. His immense talents and driving enthusiasm will be greatly missed.

DETERMINED, LOYAL AND AGGRESSIVE! INITIATIVE IS STRONGEST TRAIT. SSgt Loden is a leader in every aspect. Immaculate in appearance, he is courteous and continually strives to set the example for subordinates. As my senior scout observer, I count on him to ensure that the proficiency level of the 0861's within this battalion is unparalleled. SSgt Loden has far exceeded my desired results by establishing a block of instruction which challenged the scout observer instead of bombarding him with information. Throughout PTA 1-93 held on the big island of Hawaii at the Pohakuloa Training Area, SSgt Loden proved to be my right arm particularly during the regimental fire support coordination exercise "VALIANT FIRE" as well as for the MCCRES of 2nd Bn 3rd Marines. MURKIN SCOTT W	0061			
MURKIN THOMAS R	0061			
<p>CONTINUATION OF SECTION C. During this period he essentially served as the Assistant Regimental Fire Support Coordinator performing superbly during my absence. In fact he was complimented by the Regimental Commander on at least three occasions. EXCELLENT PHYSICAL CONDITION. Ssgt Loden helped organize and participated in a joint Air Force Training Exercise, "GILA BEAN" 93 conducted in Arizona. F11 and A-10 aircraft were controlled onto targets with the use of the (MULE) Modular Universal Laser Equipment. No less than 50 live CAS missions were accurately controlled obtaining remarkable results. Ssgt Loden is one of the best. I would actively seek to serve with him again.</p>				
<p>I have seen Section B marks and Section C comments.</p>

<p>REMARKS (mandatory if item 3 above is checked)</p>				
<p>I definitely concur with the reporting senior's marks in section B and comments in Section C. Staff Sergeant Loden has made significant contributions to the battalion's combat readiness. He anticipates events, plans ahead, establishes proper priorities of work and executes flawlessly. He is a versatile SMCO who is capable of handling numerous taskings simultaneously. An aggressive leader, he gets things done. Top 20 percent of SMCO's in the battalion. Tremendous potential, highly qualified for promotion.</p>

REMARKABLE, AGGRESSIVE, TRULY SUPERIOR. Staff Sergeant Loden has performed his duties in an OUTSTANDING manner. As Liaison Chief, he has demonstrated amazingly detailed M-S knowledge, and has earned the respect of supported Infantry Leaders. Not only is he an Artillery "encyclopedia", his in-depth understanding of Navy gunfire systems render him invaluable in the FSCC. He is a superb instructor and his expertise on Fire Support have greatly enhanced the ability of the supported Infantry Battalion to utilize and coordinate Artillery and Naval Gunfire. TRUSTWORTHY, FAITHFULLY RELIED ON. He recently developed and instructed the Battalion's entire curriculum on the DCT. His training program enabled the efficient and successful employment of the DCT. CONSTANTLY UPDATES THESE APPLICATIONS to ensure optimum performance. In addition to his regular duties, SSGT Loden has served as the Battery Training Officer. CORRECTED.

Would easily be in the top 10% of all Gunnery Sergeants I have served with. A self-starter who's initiative is only surpassed by his imagination. Never satisfied with the "status-quo", he constantly seeks ways to improve our ability to train Marines. As the SNCOIC of one of the largest pistol ranges in the Marine Corps, he oversees the training of not only the 1500 students belonging to MCSFBN but ensures the safe training and smooth operation of the facilities for over 5000 military and law enforcement personnel a year. INNOVATIVE and FLEXIBLE his self help projects has drastically improved the training facility and our ability to support our mission. Improvements during this period include: 1) construction of a 1000 sq. ft classroom at an estimated cost savings of \$35,000; 2) construction of a computer operated reactive steel range with an estimated cost savings of \$20,000;

This outstanding Gunnery Sergeant of Marines has saved the Marine Corps in excess of \$65,000 in this reporting period alone. He is the epitome of a leader from the front. The efforts of this Marine will be appreciated for many years to come. This is the type of SNCO that we need to promote and retain in our Corps. I rank him number 1 out of all the Gunnery Sgt.s in this command. He will leave a void here that will be hard to fill. Ready for promotion now!

TO: David Daniels and James Johnston
Attorneys for Thomas E. Loden

RE: Katrina Loden
Employment:
Phelps Dunbar, L.L.P.

Jackson, MS 39225

CONFIDENTIAL SUMMARY REPORT

SYNOPSIS OF INTERVIEW:

On May 30, 2001, 2:00 P.M., I interviewed Kat Loden in the presence of her Attorney, James W. Craig (Phelps Dunbar) at her place of employment (Phelps Dunbar, Jackson, MS). Prior to commencing our interview, Ms. Loden told me that Tom was no longer in the Marines as she had received a correspondence (forwarded to her new address [REDACTED] Clinton, MS [REDACTED]) from the Department of Veterans Affairs. This correspondence was an application for veterans group life insurance giving a separation date of 04/04/01 (correspondence enclosed to be delivered to Tom Loden). I served Ms. Loden a Subpoena Duces Tecum and she gave me a copy of Tom Loden's medical records (enclosed with this report). Ms. Loden was first made aware of this matter while making a telephone call to the residence of Rena Loden on June 23, 2000, at approximately 10:20 A.M. Margaret Gasaway answered the phone and Ms. Loden ask to speak to Tom. At that time Ms. Gasaway put Rena Loden on the phone. Rena Loden seemed more confused than normal and she told Kat that she was scared. Rena Loden began rambling about the police or law enforcement being at her house looking for "Eddie" and said something about a missing girl, she did not understand what was going on. Rena Loden was also in fear that something may have happened to "Eddie". A short time later Kat received a call from MHP Officer Boxx concerning limited information about Tom. She then picked up her children from school. Boxx was constantly on the phone with her most of the afternoon until Tom was taken into custody. Kat was made aware of the wording cut into the chest of Tom, "I'm Sorry", which she felt was meant for her. At about 11:45 P.M., the same date, Boxx and other law enforcement arrived at her residence with a search warrant and searched her home

She and Tom were married Thanksgiving 1995 and approximate one week later he attempted suicide. From that date to the date of this matter Tom had attempted suicide on several occasions. Since the time of their marriage Tom frequently experienced nightmares. Tom was a very disciplined trained Marine as a foot soldier fighting Marine. Tom could not handle the stress of an administrative recruiting possession. Tom's behavior had worsened with his temper becoming explosive, drinking alcohol more frequently and language more profane. Tom did not seek medical attention for his suicide attempts as he was afraid the Marines would find out.

Some time later located at the Union County Sheriff's Department in New Albany, Mississippi, Kat convinced Tom to give a statement. This was a result of the request and strong encouragement of MHP Investigators Mickey Baker and Mike Berthay (ACCORDING TO MY FILE THE QUESTIONING OF TOM BEGAN AT 1615 HRS WITH A TIME NOTED ON THE RIGHTS WAIVER AT 1632 HRS, HOWEVER DOCUMENTATION OF THE STATEMENT DID NOT BEGIN UNTIL 1818 HOURS ON 06/23/00 - WHAT TOOK PLACE FOR TWO HOURS PRIOR TO THE STATEMENT AS I HAVE NO DOCUMENTATION IN MY FILE FOR THE MISSING DOCUMENTATION TO COVER THAT TIME PERIOD OR THE AUDIO TAPE OF THE STATEMENT NOR VERIFICATION OF IT'S AUTHENTICITY).
